

For Immediate Release:

ACTIVE AERO CHARTER, LLC SIGNS AIR CHARTER MANAGEMENT DEAL

Belleville, Michigan, January 3, 2006 – Active Aero Charter, LLC, the largest air charter manager in North America, has been selected by Air Care Aviation Services, Inc. of North Carolina to provide air cargo charter management services throughout North America.

Air Care will utilize CharterNetSM, Active Aero's proprietary Internet based bid/quote portal. CharterNetSM, an industry-leading system for on-demand air cargo charters, matches customer need time with an extensive aircraft provider base.

Richard Winstead of Air Care Aviation states, *"Since signing up with Active Aero's system, I no longer need to make a dozen telephone calls to find an available aircraft. CharterNet delivers an average of seven competitive bids right to my computer within a matter of minutes."*

Chris Healy, President of Active Aero notes, *"The speed with which CharterNet produces air carrier bids will provide Air Care with significantly more choices - leveraging their own buying power with that of the industry leaders. Air Care knows they need volume to really leverage their own volume."* Active Aero coordinates time-sensitive freight deliveries 24 hours a day, 7 days a week, 365 days per year for numerous Fortune 500 companies including automotive OEMs and their suppliers.
